Dear Mr. McAllister:

On behalf of Doctor Furchgott, my co-organizer and the Federation of American Societies for Experimental Biology, I would like to thank you, and The Council for Tobacco Research-USA, Inc., most sincerely for your generous support of our Conference on "Endothelium and Cardiovascular Function". You should realize that your help will be essential in the success of the meeting.

With best wishes,

Sincerely yours,

Paul M. Vanhoutte, M.D.
